

FAMILY OUTLINE ON PLASKETT'S

The earliest recognized ancestor of which I am certain, is Samuel Plaskett, born around 1784, possibly in New Jersey. He married Maria (Polly) Rush at Bethlehem (Clark County), Indiana, license dated October 27, 1813. She was born around 1791 in Pennsylvania. He died August 20, 1858, at Sick Creek Township, Van Buren County, Iowa. So far I can determine descent for six of his children.
